Rabbi's

LETTER

Dear Friends,

We bring this program guide to you with great enthusiasm and many new and exciting events as we celebrate **Ten Years** of The Chabad Jewish Center of Royal Palm Beach.

From our very beginning, our goal was to be a benevolent, warm and welcoming Jewish Center where everyone, no matter what age, background or financial status, would feel like family. Now, we have accomplished 10 years of that goal! We look forward to your participation in all, or part, of our exciting celebrations.

The sounding of the word **Ten - ין in Hebrew means Give**. As a vibrant Jewish Center, we are able to give and provide religious, counseling and social services. All that we do is with the participation, the help and the loving support that so many of you have given in so many ways. This is how we have formed such a beautiful community.

May G-D continue to give his abounding blessings upon all of us as we greatly anticipate celebrating with you.

Sincerely,

Rabbi Levi & Leah Schtroks
Chabad Jewish Center of Royal Palm Beach

Mezuzah

10 YEAR MEZUZAH CAMPAIGN

Our goal is to get **100 homes** to participate in adding more **Mezuzot** to their home or office.

The sages of the Talmud taught that when you place a mezuzah on your door, you are protected in your home and away! We would be happy to assist you in placing new Mezuzot or check any Mezuzot you already have. You can magnify this campaign by hosting a Mezuzah Placing Party for your family and friends and share in the joy. For more information please contact:
